

Voltimum Centre highlights the electrical side of construction at Plan Expo 2008

On November 4-6 at the RDS in Dublin, The Voltimum Centre at Plan Expo will be showcasing its leading manufacturers and trade associations, bringing to light the importance of the electrical industry in construction.

Plan expo is recognised as the key annual event for those in the Irish construction industry. Celebrating its 26th year, this event is expecting to attract over 6,800 industry professionals and has more than 230 specialist exhibitors.

Found at stand **L12**, the leading manufacturers exhibiting at The Voltimum Centre include: ABB, Legrand, MK, Nexans, OSRAM, Philips, Prysmian and Schneider Electric. Here you can also find leading trade association, ECSSA, showcasing their latest services and training.

Voltimum Centre exhibitors will also be participating in the valuable seminars taking place at the Information Exchange, giving attendees the opportunity to learn more about the latest hot topics relevant to the Irish electrical industry.

To find out more information about Voltimum Centre seminars, products and prizes, be sure to check out the Voltimum website at www.voltimum.ie
